Dear George,

Re: **2023 "Moran Family" Scholarship Notice**

Please find enclosed the New Hampshire Land Surveyors Foundation (NHLSF) "Moran Family" scholarship application for **New Hampshire students**, either graduating from high school in 2023, or a prior Moran Family Scholarship recipient, or a person with military service. Although financial need is the priority, the second priority is a strong likelihood the person would enter the **surveying profession, or a related field** at the end of the program.

The NHLSF offers four other scholarships every year to New Hampshire residents enrolled as a second, third- or fourth-year college student in the surveying, civil engineering, or forestry curriculum and planning on a surveying career, with those planning on a surveying career take priority. To learn more about these scholarships, contact the office at the above phone number or visit our website www.nhlsa.org under the "Foundation" heading.

Please find enclosed the four-page application. Would you please see that this scholarship offering is posted and announced to your students where appropriate. If additional copies are needed, feel free to use xerox copies.

The deadline to receive applications that must be **returned by March 31, 2023** to the NHLSF office, Attention: Scholarship Chair. If there are any questions, feel free to give me a call.

Please call or email us if you would like to be removed from this mailing list or change the name of the recipient.

Sincerely,

Ryan Fowler, Chair
Scholarship Committee
